
SS-OO-PP-RR VISUAL GUIDE

This infographic explains the SS-OO-PP-RR home visiting method for coaching families during First Steps visits using FGRBI

SETTING THE STAGE

- Review what has happened since last visit
- Discuss what has or hasn't worked
- Plan for the visit based upon caregiver priorities

OBSERVATION & OPPORTUNITIES

- Observe caregiver-child interaction in family-identified routines and activities
- Use coaching strategies to progress toward caregiver-child outcomes

PROBLEM SOLVING & PLANNING

- Exchange ideas to make decisions about intervention strategies to try
- Plan for ways to practice skills within family routines

REFLECTION & REVIEW

- Discuss and review session
- Reflect on what & how intervention strategies are working
- Develop a plan for what caregiver will do to practice between visits
